Chart above indicates color availability per bow.

IMPRINT METHODS

FLEXOGRAPHIC INK

Products run through a flexible photopolymer plate placed on a rotating drum. This process allows for high volume printing.

A cost-effective imprinting process available on most paper bags and plastic bags.

FOIL HOT STAMP

By using an engraved magnesium plate, heat and pressure, the foil stamp is adhered onto the bag.

Available on boxes, ribbon and most paper and plastic bags. This method provides an upscale elegant look sure to compliment any logo.

SILKSCREEN

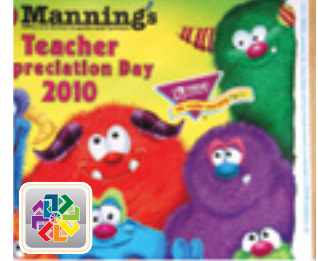

By applying ink onto a surface through a prepared screen made from a fine mesh.

Available on non-woven polypropylene, denier polyester, cotton and RPET products.

HEAT TRANSFER

A four color process and/or Pantone® color(s) printed on a heat transfer material then heat pressed onto the product.

Available on most non-woven polypropylene, denier polyester, cotton, RPET products and uncoated paper bags.

ARTWORK GUIDELINES

Colors must be separated by at least 1/2" to allow for color movement. Please note that some color overlapping may occur. More than 1 spot color imprinting is not available on some products. Minimum requirement for line thickness is 1 stroke point. Reverse out printing line thickness is 2 stroke points to avoid losing fine details.

Important Notes: Artwork with a border, large coverage and/or fine print is not recommended as it may not produce a good quality imprint. Boxed artwork exceeding 5" x 5" will need approval. Submit for review.

HALFTONES - FLEXOGRAPHIC INK

For best results, halftones should range from 20% to 40%. Our standard halftone printing is 35LPI, at a 45 degree angle. Artwork containing halftones must be pre-approved.

Halftones are not recommended for Hot Stamp or Silkscreen.	Line Screen - 35LPI		
	20%	30%	40%

A movement of about 1/32" to 1/16" per color will occur. Designs with tighter registration must be pre-approved. More than 1 spot color imprinting is not available on some products. Minimum requirement for line thickness is 1 stroke point. Reverse out printing line thickness is 2 stroke points to avoid losing fine details.

Important Notes: Artwork with a border, large coverage and/or fine print is not recommended as it may not produce a good quality imprint. Boxed artwork exceeding 5" x 5" will need approval. Please submit for review.

Color registration requirements are minimal, but do exist and must be pre-approved. Please note that some color overlapping may still occur. More than 1 spot color imprinting is not available on some products. Minimum requirement for line thickness is 1.5 stroke points.

Important Notes: There is more movement when Silk Screening on insulated products. Thicker text is recommended for textured products. Artwork with large coverage and/or fine print is not recommended as it may not produce a good quality imprint. Please submit for review.

Color Magic is not subject to space requirements and is therefore ideal for designs requiring multi-color and close registration.

Color Magic is available as a CMYK Process Heat Transfer and also as a Pantone® Match Heat Transfer.

CMYK Process Heat Transfer: Images should be in CMYK at a minimum of 300 dpi and provided at actual size. Minimum requirement for line thickness is 4 stroke points.

Pantone® Match Heat Transfer: For vector based art, Pantone® colors are preferred and will render a more vibrant print. Please note 2 Pantone® color art is the same price as CMYK artwork. More than 2 Pantone® colors will incur additional charges, please see page 120 for pricing details. Minimum requirement for line thickness is 1 stroke point.

Important Notes: For best results, some minor adjustments may be required. These minor adjustments will be noted on your viewing file proof for approval.

Additional Notes: Our imprinting processes operate in a post-production environment in which imprinting takes place on a product which is already constructed. In some cases folds and creases produced in manufacturing the bags result in some restrictions that may impact certain artwork's printability and available imprint area. Also, artwork position on post-printed products may vary slightly from product to product due to manual feeding.

FILE SPECIFICATIONS

When submitting artwork, please follow the recommendations on this page to help ensure the best quality of your imprint. Artwork not meeting these standards may incur additional production time and charges.

SUBMITTING ARTWORK

ACCEPTED PROGRAMS AND FILE FORMATS

PREFERRED PROGRAMS

Adobe Illustrator (CS6 or earlier) - Saved as **.ai**, **.eps** or **.pdf** - Fonts converted to outlines.

ACCEPTED PROGRAMS

Corel Draw - Export files as **.ai** - Convert all text to curves.

Freehand - Export files as **editable EPS** - Convert all text to paths.

FONTS

All fonts must be converted to outlines/curves/paths. Be sure to send all screen and printer fonts. If fonts are not properly sent delays on your job can occur.

Free fonts used for typesetting:

- Times New Roman
- Arial

MECHANICAL ARTWORK

Mechanical art is camera-ready and is the size to be printed; is crisp black and white; requires no touch-up.

DIGITAL ARTWORK

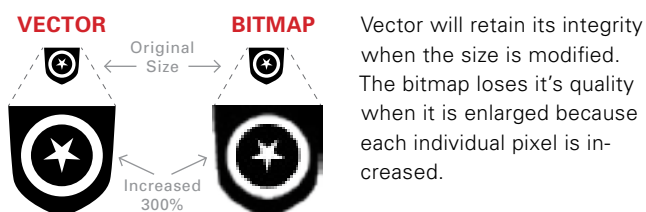

The best and highest quality imprints are made from VECTOR ART.

VECTOR ART is made up of paths which are defined by points, lines and curves and represented by mathematical equations. Vector art can be scaled to any size and retain its proportions, sharpness and detail at no loss in quality.

Note: A scanned image (e.g. .jpg, .gif, .bmp, .tiff, .psd, .pdf) or art created in a photo/paint program is not vector art, it is a raster image.

RASTER IMAGE is a collection of pixels or dots arranged in a rectangular grid known as a bitmap. Scaling a raster image to a larger size results in a loss of quality as the pixel squares get bigger and create jaggy edges on the image. In addition, placing, linking, embedding, or copying these images into a drawing program does not convert them into vector art and will not meet our art requirements. If raster images are the only available art, they must be at least 300 dpi at actual print size.

VECTOR VS. BITMAP

RESOLUTION

The amount of pixels in an image and is measured in dots per inch (dpi).

HIGH RESOLUTION BITMAP

LOW RESOLUTION BITMAP

CUSTOM HOT STAMPING

PMS Color Match: \$80.00

IMPORTANT NOTE: PMS color match for silkscreen is not an exact match like flexo ink. PMS colors are designed for ink to be placed on white paper. The background color of the bag may alter the appearance of the ink, especially light color ink on dark color bags. We will custom mix colors to get closest match to your requested color but an exact match can not be guaranteed.

IMPORTANT NOTE: Metallic or Shimmer colors can not be PMS color matched.

The PMS Colors indicated above are only reference approximations of actual colors.

The colors on this page are 4 color process simulations of Pantone Colors. Actual colors may vary.

COLOR MAGIC INFORMATION

OPTION 1

CMYK process heat transfer.

GENERAL INFORMATION

ORDERING INFORMATION

All orders must be received in writing via email or fax. Phone orders cannot be accepted. For accurate service, please include the following on your purchase order:

- Item number, style, color, quantity and pricing
- Requested in-hands date (if applicable)
- Imprint color, size and position
- Ship to address and method

Artwork sent must reference your purchase order number. Please include a hard copy of the art specifying how and where your design should appear on the bag. Unless otherwise noted the imprint will be centered within the printable area of the bag. (Note: Due to bag construction this printable area may not be the exact center of the bag.)

Email artwork and purchase order together to:

Email blank goods PO to:

Fax purchase order to:

ACKNOWLEDGEMENTS

Every order is acknowledged in writing. Please review this acknowledgement carefully and contact us immediately with discrepancies. If acknowledgement is not received within two days, please call to verify. Any changes made after order acknowledgement must be confirmed in writing and may incur additional charges and/or production time.

PRODUCTION TIME

Production scheduling begins ONLY after receipt of FINAL approval of your artwork and credit terms. Production time does not include delivery time.

- New in-stock short run orders are imprinted in 10 business days after final artwork approval.
- Exact repeat in-stock short run orders are imprinted in 5 business days.
- Color Magic orders and reorders are available in 10 business days after final artwork approval.
- Unimprinted orders will try to ship within 24-48 hours.

For orders not required to meet specific dates, ship dates are approximate and all efforts will be made to maintain these dates. Due to potential seasonal rush, production schedules may vary. Merchandise manufactured must be accepted.

RUSH SERVICES

Rush services are available for in-stock short run orders as follows:

- 6-9 working days after final artwork approval - \$52.00 rush charge.
- 4-5 working days after final artwork approval - \$64.00 rush charge.
- 2-3 working days after final artwork approval - \$96.00 rush charge.

PAYMENT/CREDIT POLICY

For new accounts, a new customer application must accompany your order. All new customers are pre-paid. Orders will not ship without credit approval or pre-payment. We accept Visa, MasterCard and Discover. Deposit may also be required on large quantity import products, whether or not dates are maintained.

SHIPPING

F.O.B. POINT: Brea, CA (Southern California)

METHOD OF SHIPPING: UPS Ground or Common Carrier.

For better service, please specify in-hands date deadline and requested shipping method on purchase order. As it is common for us to ship early, we reserve the right to determine the appropriate shipping method to meet your deadline.

SHIPPING WEIGHT: Weights listed in our catalog are approximate weight per box. We cannot be responsible for differences in actual freight versus quoted freight charges.

SPECIAL FREIGHT FEES: Inside delivery, residential, redelivery, COD, international, Alaska, Hawaii and Puerto Rico incur additional shipping fees. We reserve the right to submit supplemental invoices after the original invoice has been issued. Freight and duty must be charged on your freight account.

DROP/SPLIT SHIPMENTS: \$10.00 per destination on shipments going to more than one location. Drop shipments may not be available on all items. Maximum 10 locations. For 10+ locations, please call for quote.

SPECIAL PACKAGING: \$7.50 per box, not available on all items.

CHANGES

All changes must be in writing via e-mail or fax. Any changes in shipping must be made 5 days prior to ship date.

CANCELLATIONS

Cancellations must be e-mailed or faxed. All cancellations requested after order acknowledgement will incur minimum \$20.00, plus charges for the work completed at the time of cancellation, including artwork, set-up, plates, material and labor costs. Artwork review time incurred on custom products will incur a graphic charge.

RETURNS

Only unimprinted bags may be returned for credit. Returns must be notified within 30 days. Please contact us for a Return Merchandise Authorization number. A 20% restocking fee applies as well as all original freight and return freight charges.

CLAIMS

Claims must be settled within 30 days of invoice date. Once shipments are picked up, the carrier assumes full responsibility for delivery of the order. If shipment arrives damaged or delayed, all claims must be filed with carrier.

ADDITIONAL PRINT CHARGES

SHORT RUN POST PRINT CHANGE CHARGES:

- Foil Change Charge: \$16.00

INK AND FOIL PLATE CHARGES: A one time plate charge per color per side is required on all new orders or on repeats with art changes.

- Foil Hot Stamp Plate: See page 118 to determine plate cost.
 - Flexographic Ink Plate: See page 119 to determine plate cost.
- Plates are then stored for a period of 2 years. Within those 2 years there are no plate charges applied on exact reorders for ink imprinted or foil imprinted orders.

SILKSCREEN SET-UP CHARGES:
\$70.00 per color.]

GENERAL INFORMATION

PROOF CHARGES (SHORT RUN):

DIGITAL PROOFS/VIEWING FILES: First digital proof/viewing file and 1 revision is free. Each additional viewing file requested will incur a \$15.00 charge.

PRE-PRODUCTION PROOFS (STOCK ITEMS):

- Hot Stamping: \$45.00 + applicable plate and art charges.
- Ink Printing: \$35.00 + applicable plate and art charges.
- Silkscreen: \$45.00 + applicable art charges.
- Color Magic: \$75.00 + applicable art charges.

VIRTUAL SAMPLE CHARGES: All virtual requests are subject to review when determining applicable charges. Typically, simple virtuals are free and the turnaround time is 1-2 days. For complex virtuals the turnaround time is 2-3 days. Cost, if any, depends on level of complexity of the request. Multiple revision request for virtuals will incur additional charges determined on a per job basis. A virtual sample is not equivalent to a proof.

ADDITIONAL NOTES

- All dimensions listed in the catalog are width x side gusset x height x bottom gusset.

- Product dimensions, colors, thickness, handles and other features, as well as imprint colors on different styles or sizes on the same order or from order to order may vary slightly within commercially acceptable industry standards.

- Artwork position on post-printed bags may vary from bag to bag due to manual feeding.

- Print quality may not overcome the folds and creases produced in manufacturing of the bags.

- Products and logos shown in this catalog are intended ONLY to illustrate the basic products and options, not to suggest that the imprints are readily available for any purchase without the permission from the owners of the trademark, copyright or logo.

- All artwork submitted is assumed to be in full compliance with the laws governing copyright, trademark, etc. Purchasers, by placing orders, agree to hold full responsibility for any damage, costs and/or expenses resulting from the use of artwork.

- Actual product colors may vary.

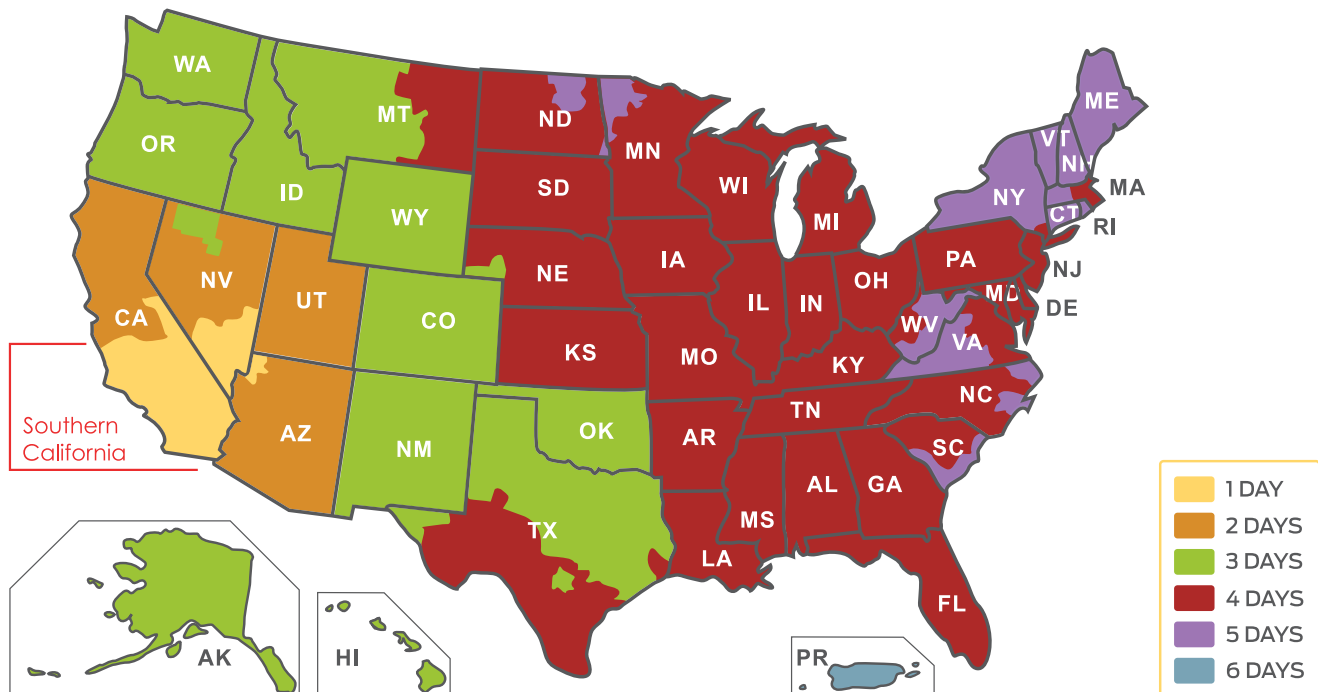

DUE TO VOLATILITY OF FUEL/RAW MATERIAL COSTS, PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
