# SERVICES

## Custom Boxes

Laurance Paper's high graphic and process printing can transform any plain box into a brand champion. Resident designers and engineers have the kind of deep industry experience that enables success no matter how complex the design challenge.

### Custom Boxes from Tharco:

- Quality printing up to 6 colors
- Flexible production for quick turn times
- Innovative structural and graphic designers
- Highly skilled engineers
- In-house performance testing
- Customer-managed inventory
- Responsive customer service

## Protective Packaging

Laurance Paper is the only manufacturer with the capacity and experience to take you packaging concept from design to delivery in days, not weeks or months. Design and engineering teams are structured to facilitate collaboration both internally and with customers. Tharco's material-neutral design approach assures the best, most cost-effective solution for protecting fragile, high-value products from damage. And rigorous on-site performance testing adds confidence to any design.

## Global Reach

Laurance, as part of a global network of independent packaging firms, offers you strategic locations, quality products, and competitive pricing through a single point of contact.

## Just In Time: Boxes when and where you need them

Instead of ordering box volume that can take up valuable floor space and consume capital, you order the exact number of boxes you need for delivery on the day that you need them. It's convenient, cost effective, and with rapid processing and next day delivery, you are never caught short.

# SALES AND SUPPORT
